Second Quarter 2010

75th ANNIVERSARY OPEN HOUSE

August 5th
11:00 a.m. - 3:00 p.m.

On the 18th day of July 1935, ten individuals signed a certificate to organize and operate Boise US Employees Federal Credit Union. Their mission on that day was “to make credit more available to people of small means, thereby helping to stabilize the credit structure of the United States”. Although the nature of our services may have changed over the past 75 years, our mission has remained steadfast — “Service, the old fashioned way!”

Today, your credit union has over 6,000 members and is the 21st largest of the 59 credit unions in Idaho. The board of directors, management and staff want to thank you for your membership and continued support. We strive to meet your financial needs and remain committed to serving you and your family.

We would be honored to have you attend our open house on August 5th. The credit union staff will be serving lunch between 11:00 and 3:00.
